LETTER OF SUPPORT RE: SPONSORSHIP FOR JACOB WILLIAMS

To Whom It May Concern

Dear Sir/ Madam,

I am pleased to write this note to support the family of Jacob Williams in their endeavours to secure sponsorship for their son Jacob so as to further develop his obvious talents in the sport of Motocross.

Jacob is a well adjusted year six student with a passion for riding. He interacts well with others and retains a level headed approach to his school work and life in general. His talent is acknowledged and appreciated by other students who take a genuine interest in his development.

I am very confident that any future sponsor of Jacob would be well pleased with his (and the family's) commitment and effort which would lead to considerable mutual benefit.

Wayne Jackson
Principal
